DELICIOUS GERMAN BRATWURST
cooked on open log fire

Why not try something different?

Bratwurst is known all over the world as one of the prime German delicacies. Wherever you go in Germany, whether it is one of the famous German Christmas Markets, a fair ground, shopping centre or any other event, you will find a Bratwurst stall as a key feature.

Smells good, tastes delicious, no one walks by!

NOW IN THE UK!

We can now offer this unique product within the UK:

- On your market
- Your event
- Promotion
- Product Launch
- Private Party
- Corporate Event

We use only original German Bratwurst & Mustard which ensures you get the true flavour. We cook on logs produced from wood chips which do not require extra chopping of trees. Our barbeques are made from stainless steel, easy to clean and meet food hygiene standards. Our stalls are attractive and will add an extra flair to your venue. Our staff are well trained in food hygiene, well groomed and dressed in corporate work wear. Cleanliness and customer satisfaction are of paramount importance.
